Learn about state and local activities, collaboration and partnership to support the Broomfield Early Childhood community (parents, providers & local organizations)

TUESDAY, OCTOBER 22

3:00 TO 4:15pm

6 Garden Center, Broomfield

BECC has a new strategic plan and will share our values, goals, and activities for the next three years. Then interactively see what goals we have that directly align with your organization goals. With this work, we can align activities, maximize resources and strengthen partnerships for young children!
